GROWING UP WITH GRAMMAR SERIES & PRIMARY GRAMMAR DICTIONARY

Author: Gordon Winch

Growing Up With Grammar is a series of four student workbooks that cover Early Stage 1, Stage 1, Stage 2 and Stage 3 of the New South Wales Syllabus. Their grading allows the books to be used effectively in all states of Australia.

The Primary Grammar Dictionary is a dictionary of the grammatical terms primary school students need in grammar, punctuation and correct usage. In addition, it contains an appendix that provides lists of prefixes and suffixes, word origins and tables of tense and case.

Both the grammar series and the dictionary have been written by Dr Gordon Winch, one of the most published authors in the field of primary English in Australia.
