

Teaching Notes: Twelve Little Festive Frogs

Written by Hilary Robinson
Illustrated by Mandy Stanley
Published by New Frontier Publishing

SYNOPSIS

Celebrate the twelve days of Christmas with these fun and delightful little festive frogs.

ABOUT THE AUTHOR

Hilary Robinson is an author, radio producer, broadcaster and feature writer. She was born in Devon and brought up in Nigeria and England. The author of nearly seventy books for children, she is best known for *Mixed Up Fairy Tales*. Her books have been translated into a number of languages and are sold across the world. She lives and works in London and Yorkshire.

ABOUT THE ILLUSTRATOR

Mandy Stanley is an award-winning illustrator, author and designer who has published more than 200 picture, story and activity books for children. She was born in Suffolk and now works from her studio at home in Beccles.

HOW THE BOOK ENHANCES LEARNING

The first stages of learning and counting are so important for a child. This book is an engaging and innovative way of learning about ordinal and cardinal numbers and counting, as well as enjoying this take on the traditional Christmas verse, *The 12 Days of Christmas*. With lots to spot and discuss on every page, this book enhances language development and memory skills.

TWELVE LITTLE FESTIVE FROGS MEMORY MATCH

Match the numbers to the correct items. Can you do it from memory?

Twelve

Eleven

Ten

Nine

Eight

Seven
